DANCE EXPERIENCE

**NOTE FROM THE DIRECTORS:**

# WELCOME

**Welcome to The Final One.**

Six seasons in, we're proud of what The One Dance Experience has become, and even more proud of the community that has grown with us. What started as a shared vision between educators has become an experience built with intention, care, and respect for dancers, studios, and families.

The Final One is a celebration of the season's hard work, growth, and standout moments. From the moment you arrive, our focus is simple: to create an environment where dancers feel supported, prepared, and confident stepping onto the stage. We want every dancer to feel seen, every studio to feel supported, and every moment on stage to feel like it matters.

At its core, The One Dance Experience is about connection. Between dancers and teachers. Between studios and staff. Between hard work and celebration.

Thank you for trusting us with your dancers and for being part of this community. We're grateful to celebrate the final event of the season with you.

With appreciation,  
The One Dance Experience Directors  
Debbie, Regan, Jodi
